## Gift Aid declaration—for past, present and future donations

I wish the Heath & Hampstead Society to treat all qualifying gifts of money that I am making today, have made in the past four years and will make in the future, as Gift Aid donations.

I confirm that I have paid or will pay an amount of Income Tax and/or Capital Gains Tax for each tax year (6 April to 5 April) that is at least equal to the amount of tax that all the charities or Community Amateur Sports Clubs that I donate to will reclaim on my gifts for that tax year. I understand the charity will reclaim 25p of tax on every £1 that I give on or after 6 April 2010.

## Declaration for Use of Donation

It is possible that the funds raised by the Society to cover the Society's potential legal costs of its judicial review of the Ponds Project will be greater than the Society's actual legal costs. This may be because the funds raised exceed the target of the £100,000, and /or because, if the Society is successful, the City is obliged to pay the major part of the Society's legal costs, or because (for whatever reason) the Judicial review does not proceed.

Please indicate below whether, if the funds raised by the Society exceed its actual legal costs, you wish that the part of your donation which is not required proportionately to fund the Society's actual legal costs be retained by the Society for its general charitable purposes, or whether you wish that that part be returned to you:

- Retained as a general donation
